Remarks

To overcome the obviousness-type double patenting rejections, the enclosed Terminal Disclaimer is submitted. A fee in the amount of \$130 was paid when the prior terminal disclaimer was filed, which was subsequently disapproved for no stated reason. Since then, the fee had increased by \$10. Accordingly, charge \$10 to account no. 09-0441 to cover the current terminal disclaimer fee.

Furthermore, at the time the present invention was made, both it and Lotspiech were commonly owned in toto by IBM Corp.

Claims 41-46 are canceled hereby, removing the only other grounds for rejection and rendering this application allowable.
